Agenda item: Membership processing/Membership drive **Presenter:** All

Discussion: Malcolm proposed using IMBA's updated membership service for member processing. IMBA is now charging \$12/member to do all processing (see welcome letter from IMBA provided by Malcolm). Everyone was in agreement. It was also discussed as to what the membership amount was going to be. It appears from the IMBA web site that this is fixed at \$39/year or greater depending on how much a member wants to donate.

Malcolm suggested that we look into a tri-county cross country race.

Conclusions: Malcolm will get us signed up with IMBA.

Agenda item: MISCA

Presenter: Steve

Discussion: Possibility of creating a composite team in the area. It appears that there is enough interest in the Midland area to form a team. There are also several people willing to become coaches in that area. The idea will be presented to the athletic directors in the area after the first of the year and see if there is interest with them.
